

Alaska Stat. §18.66.180 (2011)- Civil liability

A person may not bring a civil action for damages against the state, its officers, agents, or employees, or a law enforcement agency, its officers, agents, or employees for any failure to comply with the provisions of this chapter.

Alaska is a partial Public Law 280 state. Except for criminal jurisdiction on the Annette Islands, the Metlakatla Alaskan Native community may exercise jurisdiction over offenses committed by Indians in the same manner in which such jurisdiction may be exercised by Indian tribes in Indian country over which state jurisdiction has not been extended. In all other cases, Public Law 280 confers criminal jurisdiction to the State of Alaska.
